

# 🍏 PremA280 / Sweetie™

- Sweet, juicy, very firm and attractive, striped, bi-coloured apple
- Parentage: Braeburn x Royal Gala
- Early season; with to before Royal Gala
- Sets good crops of well sized fruit
- Extremely grower friendly; can be brought into production quickly
- Hangs up to 6 weeks
- Excellent storage for an early season variety with exceptional good shelf life
- Tree royalty only
- Should be very interesting for marketing programmes into Africa
